Assignment 10

This assignment is on web scraping

Part 1

Please scrape the data from the first page for DNSC courses for Fall 2019. Save the data in a csv file. The link to scrape for this assignment is:
https://my.gwu.edu/mod/pws/courses.cfm?campId=1&termId=201903&subjId=DNSC

Part 2

Load the data into a pandas data frame and create a bar graph that shows the number of 3 credit courses and the number of 1.5 credit courses.
